

# Expedition Mission: Compare and Contrast Pink and Bottlenose Dolphins

Name: \_\_\_\_\_

## Directions:

1. Gather information about bottlenose dolphins (or another type of dolphin about which you are interested). Use a variety of books to gather your facts.
2. Gather information from Sy Montgomery's book about pink dolphins.
3. Identify things the two types of dolphins have in common. List these details in the center section of the Venn diagram.
4. Identify things that are unique to pink dolphins and list those on the left side of the Venn diagram.
5. Identify things that are unique to bottlenose dolphins and list those on the right side of the Venn diagram.
6. Draw pictures of both types of dolphins and of the Amazon around the Venn diagram to complete it.
7. Be sure your work is accurate and neat. Make your Venn diagram colorful.
